Beare's Premiere Music Festival 2024

The Beare's Premiere Music Festival is back! We continue to bring the finest international and local musicians to Hong Kong to play chamber music masterpieces at this annual event. For the 2024 Beare's Premiere Music Festival, we present four distinctive programmes including a spotlight on the Miró Quartet featuring the Asian Premiere of a new work by Caroline Shaw; an all-Mozart evening; a concert dedicated to Romantic repertoire, and voice featuring Irish tenor Rob. The 2024 Beare's Premiere Music Festival will also feature outreach events and more.
