MORGENLAND FESTIVAL OSNABRUECK———2026

Morgenland Festival Osnabrück sees itself as a laboratory for the music of tomorrow. Since its founding, the festival has focused on a global soundscape in transformation. Beyond rigid preconceptions, it creates a space of resonance where people come together and, through dialogue, develop a new shared language.

Ganavya, Abdullah Tania Giannouli Trio, Sanem Kalfa – Miraculous Layers, Saba Alizadeh & Pietro Caramelli
