# I Suoni delle Dolomiti

## The music festival in the most beautiful mountain

Majestic witnesses of millenary eras, the Dolomites have a charm that enchants and amazes. I Suoni delle Dolomiti is a festival with the goal of capturing and conveying the spirit of the mountains and of paying homage to the wonder the Dolomites have been through a 29-year journey, whose soul is well described and outlined in the words of the [new Manifesto](#).

I Suoni delle Dolomiti are **unique and irreproducible**: a common journey among artists and the public in the sc
