Regrettably we have had to cancel the 2021 Tyalgum Music Festival due to the current Covid situation. Obviously this is a great disappointment to both our musicians and supporters. Ticket holders have been refunded but as the program remains the same for 2022, [tickets for 2022](#) are still available. We do hope to see you in 2022 for a celebration of our 30th anniversary. Until then, stay well.
