**September 2026**  
*Féile Cheol Aireagail Chathair na Mart*

## Welcome to Westport Festival of Chamber Music

Established in 2013, we are a boutique festival presenting the finest of musicians from Ireland and around the world.

What makes us rather special and sets us apart from most other festivals is that so many musicians stay in Westport for a week to work on their music, rehearsing in and around the town, also in some of our private homes. This creates deep musical bonds and friendships that go beyond the performances we hear at the end of the week; it also creates a musical intimacy and allows for real spontaneity to occur on stage, after having spent a relaxed and quality time together.
