2021 Program Cancelled

With the continued impact of COVID and border restrictions, and most of our Festival artists residing in NSW, the Committee has unfortunately decided to cancel the event for yet another year. Prolonging this decision would jeopardise the viability for future festival.

Our wonderful line up of musicians have pledged to be back playing for you in Tasmania at the same time next year.

Festival 1: Wednesday 19 – 21 October, 2022

Festival 2: Friday 21 – 23 October, 2022

All ticket holders will receive a full refund on their credit card by the end of September. This will happen through the Theatre North Box Office.
